

# The NEW REALITIES of WORK.

1. What are the main points from the video regarding the demands of the future world of work?
2. Will the areas selected for *The Framework to Guide Future-Ready Learning* better prepare TUSD students for the future? Please explain:
  - Problem-Based Learning;
  - Personalized Learning;
  - Social and Emotional Learning;
  - Asset-Based Instruction;
  - Culturally Responsive Teaching and Learning; and
  - Equity, Diversity, and Inclusive Practices.
3. Why is *The Framework to Guide Future-Ready Learning* important for TUSD? How can it be most effectively implemented?
